**OSHKOSH FLYERS FOOTBALL CLUB, INC.
DISCLOSURES, CONSENT AND WAIVER**

The undersigned have custody of _____, a minor child who seeks to participate in any way in a youth football league and other related events and activities conducted by the Oshkosh Flyers Football Club, Inc. ("**OFFC**") and/or the WISCONSIN ALL-AMERICAN YOUTH FOOTBALL LEAGUE ("**WAAYFL**"), Wisconsin not-for-profit corporations. In order to induce the **OFFC and/or the WAAYFL** to permit the child to participate, the undersigned represents and warrants as follows:

- (a) The child is covered under a comprehensive policy of health and medical insurance, which policy is in full force and effect and that they will provide the **OFFC** with proof of such insurance coverage; and
- (b) The undersigned shall take such action as shall be reasonably necessary to assure that the child shall continue to be covered under a comprehensive policy of health and medical insurance throughout the entire course of the football season; and
- (c) The undersigned believe(s) that the child has no physical condition that would prevent the child from participating in the activities of the **OFFC and/or the WAAYFL**, and that the undersigned shall advise the **OFFC** in the event that the undersigned observes or otherwise becomes aware of a condition that would prevent the child from participating or would limit the extent of such child's participation in the football league and other activities of the **OFFC**; and
- (d) The undersigned are/is aware of the risks inherent in full-contact football and while particular rules, equipment, and personal discipline may reduce this risk, the risk of serious injury does exist and fully consent(s) to the child participating in the football league and other related events and activities carried on by the **OFFC and/or the WAAYFL**; and
- (e) The undersigned knowingly and freely assume all such risks, both known and unknown, even if arising from the negligence of the **OFFC and/or the WAAYFL** or others, and assume full responsibility for my child's participation; and
- (f) The undersigned shall make arrangements to deliver to the **OFFC** a copy of the child's current physical card or examination. The physical card/examination is good for two (2) seasons if dated after April 1; if the physical is dated prior to April 1, the physical is only good for the upcoming season. The undersigned does not believe that the exam revealed that the child had any condition that would prevent the child from engaging in the football league or other activities carried out by the **OFFC**, or that the child had a condition that would limit the extent of the child's activities; and
- (g) The undersigned will comply with all rules and regulations of the **OFFC and/or the WAAYFL** and willingly agrees to comply with the stated and customary terms and conditions for participation. If, however, the undersigned observes any unusual significant hazards during their presence or participation, or if their child is injured while participating in this activity, the undersigned will remove their child from participation and bring such to the attention of the nearest team official immediately.

The undersigned, on their own behalf and on behalf of their child, hereby release(s) the **OFFC and/or the WAAYFL**, its agents, representatives, directors, officers, coaches, members, other participants and volunteers, and their respective heirs, successors and assigns of the foregoing, from any and all claim, liability, suit or obligation arising from their child's participation in the football league and other related events and activities engaged in by the **OFFC and/or the WAAYFL**, its agents, representatives, directors, officers, coaches, members, other participants and volunteers, whether arising directly or indirectly as a consequence thereof. Further, the undersigned agree to defend, indemnify and hold the **OFFC and/or the WAAYFL**, its agents, representatives, directors, officers, coaches, members, other participants and volunteers harmless from any claim, liability or obligation found due and owing as a consequence of any judgment or claim deemed to be due and owing from the activities of the **OFFC and/or the WAAYFL**, its agents, representatives, directors, officers, coaches, members, other participants and volunteers arising from the football league and other related events and activities it carries on.

PARENT CODE OF CONDUCT

Parents are as important to the success of the football team as the players and coaches. Parents should work with coaches to mentor and support players in a positive manner, and help them become first-class athletes by adhering to the following guidelines:

- Always support the team (pick them up, never put them down).
- Always be indifferent to attitudes and abilities of the other team.
- Always walk away from an official's "bad call" with your head up.
- Never use alcohol, drugs, or tobacco at AAYFL games or practices, and control your actions and language while at these events.
- Heated discussions have no place in front of the players. Parents and Coaches should postpone conversations that are getting out of hand.
- Although many parents have coaching experience and may have played on a higher level than the current coaches of the team, please refrain from coaching skills that contradict program goals to your players. They are being taught to play as a team, each player performing a set function that his teammates can rely on. A player who abandons his teammates to do something his parents coached him to do (which contradicts team schemes/techniques) is letting down his team and himself. This may open up the door for an opponent to win a game, or it may cause him or a teammate to be injured.

• **Always take responsibility for your actions, and remember, it's "Just for Kids!"**
